**SUBJECT:** Visiting Faculty Register, February 2010 Publication

---

The Association offers full-time teachers, who are or have been identified in the AALS Directory of Law Teachers as a faculty member or administrator at an AALS member or fee-paid law school, the opportunity to be listed in the AALS Visiting Faculty Register. This register includes faculty members who are interested in considering invitations to visit for all or part of the academic year, but does not include those interested only in summer visiting opportunities.

The February 2010 Visiting Faculty Register is enclosed. The individuals listed have expressed an interest in receiving invitations for all or part of the 2010-2011 academic year.

We recommend that the home and visited schools make the necessary financial and administrative accommodations to ensure those professors participating in these visits do not suffer detriment in retirement, health, or other fringe benefits. We would also like to remind you of the AALS Statement of Good Practices for the recruitment of and resignation by full-time faculty members, which can be viewed on the AALS website at [http://www.aals.org/about\\_handbook\\_sgp\\_rec.php](http://www.aals.org/about_handbook_sgp_rec.php).

The next edition of this register will be distributed in October 2010.
