WELCOME TO SAN FRANCISCO FOR THE 2025 ANNUAL MEETING OF THE ASSOCIATION OF AMERICAN LAW SCHOOLS

Dear Colleagues,

It is our privilege to warmly welcome you to the 2025 AALS Annual Meeting. As we gather over the next four days to connect, engage, exchange ideas, and prepare for the coming year, we call on you to reflect on the theme that unifies this meeting—Courage in Action.

As members of the legal profession and as legal academics, we are entrusted with the profound honor and responsibility of helping individuals and society solve intractable challenges and to find common ground among conflicting goals and views. Shouldering this responsibility requires sustained efforts and, indeed, courage. We know that you practice that courage daily by modeling the values of ethics, professionalism, justice, and good-faith engagement. Our students, our colleagues, and society more broadly are benefitting from your leadership, innovation, and inspiration.

In our classrooms and through our influential scholarship, during our faculty meetings, and in our communities, we are creating a brighter future for the next generation of lawyers and our legal system by sustaining and protecting the rule of law. Thank you for continuing to act with courage and for playing a pivotal role in shaping the future of excellence in legal education.

At AALS, we ask the same of ourselves. When we each started our roles at AALS—Melanie in January and Kellye in July—we could not have anticipated just how often we would be called upon to exercise courage throughout the year. When we faced unforeseen circumstances during the planning of this meeting, for example, it was courage (and some grace) that allowed our small staff to adapt quickly and address the complexities of a relocation, ensuring that all attendees could enjoy this great annual gathering. We extend our profound thanks to everyone who worked collaboratively and selflessly to accomplish the move quickly and successfully, including the AALS staff, section leaders, program organizers, sponsors, committee members, and attendees.

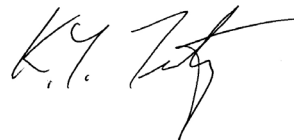

While we are clear-eyed about the many challenges facing lawyers and society, we remain optimistic and enthusiastic about the future of American legal education. We recommit to doing our best every day to foster an inclusive vision of service to our members, and we reaffirm AALS as the place where we come together—across disciplines, roles, backgrounds, and perspectives—toward the shared goal of advancing excellence in legal education.

We are stronger together, and we look forward to working with all of you to ensure that the courage we show today transforms into lasting action for the future of legal education and the legal profession.

Thank you for being here. We hope you enjoy the meeting!
